Re: Docket 2020-275-WS. Application of Condor Environmental, Incorporated  
Requesting an Expansion of Its Existing Sewer Service Area to Include Certain Portions of  
Anderson County and Saluda County and Approval of Agreement (Request for Expedited Review)

Dear Ms. Boyd:

The Saluda County Water and Sewer Authority ("SCWSA") has expressed concerns regarding Condor Environmental, Inc.'s Application and its Motion to Allow Service on a Provisional Basis in the Palmetto Pointe subdivision, which is on tomorrow's agenda. We would like the opportunity to resolve SCWSA's concerns, and therefore request the Commission carry over Condor's motion as it pertains to Palmetto Pointe. If SCWSA and Condor are unable to resolve their differences, Condor requests the Commission waive any applicable deadlines and allow SCWSA to respond to the Motion and the Application. Condor's motion for permission to provisionally serve the Carriage Hill subdivision is not affected by this request, and the company respectfully requests the Commission consider that part of its motion tomorrow.

With best wishes, I am,

Sincerely yours,

*s/ Charlie Terreni*
